

Dear owner/manager,

May 2019

Wanstead's tenth Art Trail will be held from Saturday **September 7th until the end of Sunday September 22nd**, and we hope you will support the event and our local artists. Up to 75 venues have taken part in previous years, and it is recognised as one of Wanstead's main annual events. This year we are planning a particularly striking Trail to mark this important anniversary.

All venues are requested to contribute to the success of this year's trail by spreading the word, putting up posters and finally displaying Trail brochures. When displaying artwork inside your premises, it is also very helpful to provide some window display space, so that passing art trail visitors will be attracted into your shops and businesses.

Artists will be approaching many shops and businesses very soon. They include both professionals and keen amateurs of all ages. If your business is approached, please do accommodate at least one artist if possible. This is a community-building event and an added attraction to bring shoppers and visitors to Wanstead.

The (non-compulsory) theme this year is **Time**; a wide interpretation of the theme is encouraged. A brochure will be produced and our website will provide a full catalogue of artists and venues. **If you have any queries, or would like further information about this year's Art Trail, please contact me (details below) or check out our website: [www.artgroupwanstead.com](http://www.artgroupwanstead.com)**
